## Connexions Youth Forum

**Connexions Youth Forum is a group for young people aged 13-19 and up to 25 for those with additional needs.**

**The role of the Connexions Youth Forum is for young people in the Ealing borough to have their say and influence the work of Connexions.**

**Taking part is fun, you'll also be gaining "real world" skills that you'll be able to use in the future, whatever your plans!**

**There will be a minimum of 4 meetings per year so feel free to help and get involved!**
